BLUE RACER \$2.50 4oz | \$6.00 16oz

6.8% ABV | absolutely zero IBU | Michigan Blueberry Honeywheat
100% Michigan ingredients! Our kinetic beer sculpture features Michigan blueberries diving, ascending and hovering. The wheat and barley comes from Pilot Malt House in Byron Center, Centennial hops from Top Hops in Goodrich and honey from the Windmill Hill Farm in Crosswell. The Blue Racer is a native non-venomous Michigan snake found through most of the lower peninsula.

JIMMYJACK'S \$2.50 4oz | \$5.00 16oz | \$5.75 20oz

6.2% ABV | 15 IBU | Normal Ale
German Barke Pils malt and Hallertau Mittelfruh hops lend a Bohemian flavor to our smooth, easygoing Normal Beer. We pay tribute to Ypsilanti's first major college, the Michigan State Normal College, which preceded EMU.

HOUSE WHEAT IT IS! \$2.50 4oz | \$5.50 16oz | \$6.25 20oz

6.6% ABV | 2 IBU | Wild Wheat
Summer is here, and with it comes our crisp, pale, curiously citrusy wheat beer! House Wheat It Is combines tart wheat yeast with a touch of subtle honey tones to create a refreshing summer ale. It's great with or without a lemon wedge.

TROLLBRIDGE \$2.50 4oz | \$5.50 16oz | \$6.25 20oz

5.5% ABV / 34 IBU / English ESB (Extra Special Bitter)
During a trip to the UK in 1983, Ted was introduced to ESB style beer by Michael Jackson, the world's foremost beer writer of the time. His tour of Young's and Fuller's solidified his appreciation. So Trollbridge is brewed from 100% English malts, hops and yeast in the classic style.

WOODRUFF'S PORTER \$2.50 4oz | \$6.00 16oz | \$6.75 20oz

6.8% ABV / 22 IBU / Smoked Honey Porter
Our Woodruff's Porter hearkens back to the time when coppers were fired with flavorful smoky hardwoods and honey was a commonly added treat. Seven different malts, led by traditional Maris Otter, combine with Fuggle and East Kent Golding hops to bring you a taste of the ale that was brewed 150 years ago. The name harkens to when Ypsilanti was called Woodruff's Grove and porter was the most popular style in the world.

BOY HOWDY \$2.50 4oz | \$5.50 16oz | \$6.25 20oz

6.8% ABV / 22 IBU / Wild Porter
We have incorporated multiple ingredients into this sour brew, bearing Boy Howdy's name and symbolic of cartoonist Robert Crumb's approach to life. There are two distinct yeast cultures, hops developed from English rhizome stock and even a bit of honey. The malts include black malt, chocolate malt, smoked wheat malt and roasted barley.

MISHABOOZ \$2.50 4oz | \$5.50 16oz | \$6.25 20oz

6.8% ABV | 70 IBU | XXX Extra Stout
Powered by Michigan Zeus, Nugget and Chinook hops, with flaked oats, malted wheat, roasted barley, black and chocolate malts, smoked malt, dark crystal malt, and a touch of sweetness from brown sugar. The alleged medicinal benefits of Mishabooz as a result of heavy additions of Humulus Lupulus Cannabinaceae are scientifically unproven.

DEJA BREW \$2.50 4oz | \$3.50 16oz | \$4.25 20oz

7.2% ABV | 38 IBU | American Brown Ale
Substantial brown malt and Zythos hops from Oregon combine with a hint of chocolate and unexpectedly transport you back to another time. Maybe you have been here before? Smooth and dry, you will be back again for another!

ISLE ROYALE \$2.50 4oz | \$5.50 16oz | \$6.25 20oz

6.8% ABV | 77 IBU | India Amber Ale
A full base of aromatic, Munich and biscuit malt pushes Isle Royale into the amber range while retaining the hoppy sock of an American IPA. So we've invented a whole new category.

MOONEYE \$2.50 4oz | \$5.50 16oz | \$6.25 20oz

6.6% ABV | 88 IBU | American IPA
The Mooneye, a freshwater fish native to Michigan, is known for being a vicious predator (and a prized catch for anglers). The mooneye's fierce spirit inspired this fresh, hop-forward American style IPA. We collaborated with our friends at Hop Head Farms in Hickory Corners, MI to brew this truly zingy IPA, a bombshell of Michigan Zeus, Chinook and Cascade hops.

MISHIGOOSE FARMHOUSE SAISON

8.3% ABV | 24 IBU

Thanks to Matt Becker of Brewery Becker in Brighton for sharing his Saison Dupont yeast to create our Mishigoose Farmhouse Saison ale. It's dry and spicy, with hints of clove and banana. Fruity esters lend a refreshing tart background to this traditional saison, and combine with German Hallertau Mittelfruh hops to balance the flavor. Served in a 10 oz. glasses.

POTTAWATOMIE TRAIL ALE

4.9% ABV | 37 IBU

In 1809, one short city block from the Ypsi Alehouse, Gabriel Godfroy established the first trading post in the area, along the Pottawatomie Trail. We honor this pioneer with a pale ale socked full of floral, citrusy Centennial and Cascade hops grown by Top Hops Farms in Goodrich, MI. Toast our tradition with a pint of fragrant, aromatic, authentic local brew!

WHAT'S IT MEAN?

ABV stands for Alcohol By Volume, a measure of the amount of space the alcohol in a beer takes up as a percentage of total volume. ABV is the standard worldwide for measuring the amount of alcohol in beer.

IBU is an abbreviation for the International Bitterness Units scale. IBUs measure the alpha acid in hops which give beer its bitter flavor. Generally, the higher the number, the more bitter the taste, although malt and other flavors can balance the bitterness of a beer.

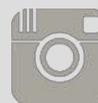

WE BELIEVE IN LOCAL.

Our philosophy is to use the finest ingredients from local sources whenever possible, creating unique ales and delectable foods in a sustainable way.

After we use grains to make our mash, we save the spent mash for farmer Jimmy in Stockbridge, Michigan.

We get hops from Groovy Hopster Farm outside of Chelsea, Michigan, Top Hops in Goodrich, Michigan, and from Hop Head Farm in Hickory Corners, Michigan.

Our honey, a key ingredient in our Blue Racer and Woodruff's Porter, is from Windmill Hill Farm in Crosswell, Michigan.

"I am a firm believer in the people. If given the truth, they can be depended on to meet any national crisis. The great point is to bring them the real facts, and beer."
